

Dear Fellow Resident,

Waste Management of Telford is our service provider for waste, recycling, bulk and yard waste collections. We are providing this updated information for your year-round reference.

As the amount of materials we recycle has grown over the years, we are also noticing an increase in contamination. Please use this handy guide as a reminder of the DO's and DON'T's of what can be placed in your single stream recycling cart. Remember... **When in Doubt...Keep it OUT.**

Single Stream Recycling is Easy to Do!

When our residents Recycle Often. Recycle Right SM great things happen. By recycling everyday items correctly, tons of raw materials, time, energy and money are saved. Here are some quick tips:

- Put **ONLY** acceptable items in your cart.
- All containers that held food should be rinsed free of food debris and liquid.
- Place empty recyclables directly into the cart. Do not bag them. **DO NOT PLACE ANY PLASTIC BAGS IN YOUR CART.**
- You can learn much more at:
RecycleOftenRecycleRight.com

**RECYCLE OFTEN.
RECYCLE RIGHT.**

RECYCLE OFTEN:

Metal Cans

Steel, tin & aluminum soda, vegetable, fruit & tuna cans

Plastic Bottles & Containers #1 -7

Paper

Brown paper bags, non-confidential office paper, newspaper, magazines

Paper Cardboard, Dairy & Juice Containers

Flattened Cardboard & Paperboard

Glass Bottles & Jars

RECYCLE RIGHT:

Things you can do to ensure quality material is recycled:

DO NOT INCLUDE: Food waste, plastic bags, polystyrene foam cups & containers, or needles

Paper and cardboard must be dry and free of food debris.

Plastic bags and film plastic are not acceptable.

All food containers must be rinsed out and empty.

Tissues, paper towels and napkins are not recyclable.

Separate plastic lids from plastic bottles (often made from different materials)

Keep medical waste (syringes, needles) out of recycling containers or place in safe disposal containers like Waste Management's MedWaste Tracker® box.
