PENNRIDGE COMMUNITY CENTER GRAND RE-OPENING

on

June 23, 2019

PERKASIE, PA (June 2, 2019) – The Penridge Community Center has announced the Center’s Grand Re-Opening Event, June 23, 2019 from 1 to 3 pm. The Center had been closed for extensive restoration caused by a pipe burst in February.

We will have light refreshments available. The Center will also have a table set up with Center information, including our Newsletter, membership, rentals, and more. We expect another table or two to be set up for local community information. Our Executive Board will be on hand to answer questions and to give short tours of the building. We will also display photos of the Center prior to the restoration. During your tour, you will be able to see the completed restoration of those areas.

As a recipient of this Press Release, you are cordially invited to attend this celebration.

The Center’s Executive and Advisory Boards will post information about the Grand Re-Opening of the Center, in local newspapers, on Facebook, and on their website, www.pennridgecenter.org.
